Dear Parents and Community Members,

I would like to thank Miss Collins, Mrs Carmody and Miss Leske for their efforts in organising our fantastic Father’s Day afternoon. Miss Collins organised a very creative afternoon that was celebrated with a quiz, competitive forte building competition, gifts and a delicious afternoon tea. The students were proud to honour their Fathers (and Grandads) on this special afternoon at school.

This Sunday we will be inviting all parents, students and community members to our school to assist in developing an interesting and dynamic outdoor ‘Native Play Garden’ which will include; crawling tunnels, stepping logs, walking logs, climbing boulders, logs benches and much more. This will add interest and stimulation to our outdoor environment.

Our objective is to create a Native Play Garden that allows our students to explore and experience the natural environment with open ended interactions, spontaneity, safe risk taking, exploration and discovery with nature. It will foster an appreciation of the natural environment, developing environmental awareness and provide our students with ongoing environmental education.

Swim camp parent information booklets, permission slips and student medical forms have been emailed to parents today. Please return these by Wednesday 16th September. Swimming classes will be held at Esperance Leisure Centre. Students will be combined with other Mallee schools and lessons will be with children of a similar age and ability. Class lessons will teach our students about water safety, water awareness and build on techniques, skills, strength and endurance.

Please be reminded that our end of term assembly will be held on Thursday 17th of September at 2:30pm.

I hope to see you all on Sunday at our Busy Bee.

Kind Regards

Jordana Yearsley
Principal
We hope our dads loved their gifts! Junior class made BBQ sauce in personalised jars (remember to use your sauce because the expiry date is approximately three weeks). Senior room students loved incorporating cooking into their maths class to make dad some delicious rocky road in personalised mugs.

Happy Father’s Day
Students have really enjoyed combining schools to explore Science at Mungalup. Students have been mentally engaged in each unit of work. This term there has been a focus on Biological Sciences. Students explored their environment and carried out hands-on activities in which they explored the concept of living and non-living things. They developed explanations for the phenomenon they have experienced and had an enjoyable time.
Cascade Primary School is having a busy bee to create our Native Play Garden on Sunday 13th September and we need your help. Please let us know if you will be attending and if you can supply machinery, tools or materials for our cause. For further details please email Cascade.PS@education.wa.edu.au or call 9079 2061

The Great Aussie Crunch is coming

Our school is taking part in The Great Aussie Crunch, joining with schools from across Western Australia to simultaneously crunch on fresh vegetables – and have fun doing it! The Great Aussie Crunch is part of Fruit & Veg September, aiming this year to educate students on the importance of eating more vegetables.

When: Tuesday 15th September

Please ensure your child brings:
some fresh, washed vegetables to crunch on. Maybe a carrot or sugar snap peas, or cut up some capsicum, broccoli, cucumber or celery?

Parents are very welcome join in!

More information is available here;
www.crunchandsip.com.au
The Earn and Learn program has now ended so if you could get any sticker sheets at home please send them into the school ASAP so we can send them away next week. You can print extra sticker sheets from woolworths.com.au/earnandlearn

Thank you for your support 😊
FREE CHRISTMAS BANNER WORKSHOPS

FOR: Dempster Street banners for the annual Christmas pageant

THEME: “What Christmas means to me”

MATERIALS & TUTOR: Materials provided by tutor Karen McClurkin who will run an hour long workshop.

DEADLINE: 23 October 2015

This project is a collaboration between the Shire of Esperance and The Cannery Arts Centre (Inc). Karen McClurkin, artist & manager of the Cannery, can come to your school or community group venue to facilitate an art activity. Children’s October holiday workshops at the Cannery will also include banner art.

Photographs of the art will be taken during the workshops to be printed on to purpose built banners. For further information, please call the Cannery on 9071 3599.

WHO ARE WE?
The Cannery Arts Centre is not for profit organisation managed by an Esperance community based Management Committee of volunteers. Our mission at the Cannery Arts Centre is to cultivate and promote artistic endeavours across the South East Region of Western Australia, ensuring equal access to each individual.
